

PHILIPPINE MATHEMATICAL OLYMPIAD

INSTRUCTIONS TO PARTICIPANTS

1. Process your application not later than September 28. Please communicate with the PMO Coordinator for your region. See brochure for details.
2. Registration starts at 12NN. Please be there early to avoid delays. Bring your application form and pay the application fee (PhP150).
3. You are encouraged to wear your school uniform.
4. Bring your school ID.
5. Examinee Numbers will be given to you during the registration. Memorize your examinee number as it will be used as your identification.
6. Bring good quality pencils, rubber eraser, sharpener, and snacks.
7. The use of cellphones, calculators, and cameras is strictly prohibited during the exam.
8. The exam administration will last about 3 hours.

INSTRUCTIONS TO COACHES / STUDENT REPRESENTATIVES

1. Please coordinate with other coaches from your school. Make sure that your school has at most 30 participants only.
2. Registration starts at 12NN. You may opt to register by batch your students to avoid long lines in the registration area. If you prefer to do this, bring your students' application forms and pay the application fee (PhP150 per student).
3. Bring a lot of patience as you may encounter long queues during the registration.
